San Francisco, CA 94105 | (123) 456-7890 | john.doe@email.com | linkedin.com/in/johndoe

EDUCATION

University Name

Bachelor of Science in Computer Science

City, State

Expected: May 2025

GPA: 3.8/4.0

Relevant Coursework: Data Structures, Algorithms, Machine Learning, Database Systems, Software Engineering

PROFESSIONAL EXPERIENCE

Tech Company Name

Software Engineering Intern

City, State

June 2023 – August 2023

- Developed and implemented a new dashboard feature using React and Node.js, improving user data visualization for over 10,000 active clients.
- Optimized backend database queries in SQL, reducing average load times by 30% and improving overall application performance.
- Collaborated within an Agile team of 6 engineers, participating in daily stand-ups, sprint planning, and code reviews.

Previous Company Name

Data Analyst Intern

City, State

January 2023 – May 2023

- Analyzed datasets containing 50,000+ records using Python (Pandas, NumPy) to identify key user trends and metrics.
- Created automated reports in Power BI that saved the management team 4 hours of manual data entry per week.

ACADEMIC & PERSONAL PROJECTS

Customer Churn Predictor | Python, scikit-learn, Pandas

Fall 2023

- Built a machine learning classification model using a Decision Tree (CART) algorithm to predict customer churn based on historical usage data.
- Achieved an 85% accuracy rate and visualized the resulting decision nodes using Matplotlib.

Task Management Web App | JavaScript, HTML/CSS, Firebase

Spring 2023

- Designed and deployed a full-stack to-do application allowing users to register, create tasks, and track daily progress.
- Implemented secure user authentication and real-time database updates using Google Firebase.

TECHNICAL SKILLS

Programming Languages: Python, Java, C++, SQL, JavaScript, HTML/CSS

Frameworks & Libraries: React, Node.js, TensorFlow, PyTorch, Pandas, Flask

Tools & Platforms: Git, GitHub, Docker, AWS, Linux, Microsoft Office Suite

LEADERSHIP & INVOLVEMENT

Computer Science Society

Vice President

City, State

August 2022 – Present

- Organized and hosted 4 technical workshops (Intro to Git, Resume Building) with an average attendance of 50+ students.
- Managed a budget of \$2,000 for club events, guest speaker travel, and hackathon supplies.
